

M.E.S.S. #3

By Britt Parrott

M.E.S.S. #3 in Elizabethtown, KY was perhaps the smoothest contest yet, due in part to the great atmosphere and the rippin' ramp. A total of 33 skaters entered to battle it out for the top spots. Once again, a jam format was used. Noticeably absent was the Scud Team because of their U.S. tour. The 10 foot high, 20 foot wide wooden structure was one of the best, thanks to the hard work of Mike Kays and Ron Mason. We are now past the halfway point in this highly successful series, so stay tuned to T.W.S. for the final chapter in the M.E.S.S.
